

A Companion to Cultural Studies

Blackwell Companions in Cultural Studies

Advisory editor: David Theo Goldberg, University of California, Irvine

This series aims to provide theoretically ambitious but accessible volumes devoted to the major fields and subfields within cultural studies, whether as single disciplines (film studies) inspired and reconfigured by interventionist cultural studies approaches, or from broad interdisciplinary and multidisciplinary perspectives (gender studies, race and ethnic studies, postcolonial studies). Each volume sets out to ground and orientate the student through a broad range of specially commissioned articles, and also to provide the more experienced scholar and teacher with a convenient and comprehensive overview of the latest trends and critical directions. An overarching *Companion to Cultural Studies* will map the territory as a whole.
