The Journal of Analytical Psychology

Fifth International Conference

Science and the Symbolic World: New Paradigms for Psychoanalysis and Analytical Psychology

At the Tate Center for Entrepreneurship, College of Charleston
Charleston, South Carolina, USA
23–27 April 2003

Analytical Psychologists
Joe Cambray (USA)
George Hogenson (USA)
Jean Knox (UK)
David Tresan (USA)

Psychoanalysts
James Fosshage (USA)
Elizabeth Lloyd Mayer (USA)
Paul Williams (UK)

Opening address: Joe Lichtenberg (USA)
Panel Discussion with John Beebe (USA) and Beverley Zabriskie (USA)
Endnotes: Coline Covington (UK)
Moderator: Angela Connolly (Italy)

The conference will explore the ways in which science and clinical practice can inform and contribute to each other and will look at the implications of recent research in other disciplines for our work with our patients. Analytical psychologists and psychoanalysts will exchange papers and responses, which will be complemented by workshops.
