Abstracts

A method for evaluating a region’s economic and environmental situation: the case of East Asian countries 72
An empirical assessment of monetary policy responses to capital inflows in Asia before the financial crisis 103
Applied general equilibrium analysis of East Asian growth 76
Corporate restructuring in East Asia: promoting best practices 114
Credibility and reputation building in the developmental state: a model with East Asian applications 86
Cross-border mergers and acquisitions in East Asia: trends and implications 106
Deviations and mean reversion to purchasing power parity in the Asian currency crisis of 1997 81
Diminished returns? Growth and investment in East Asia 76
East Asia: prospects for the new decade 72
Exchange-rate policy in East Asia after the fall: how much have things changed? 101
Exports, investment, efficiency and economic growth in LDC: an empirical investigation 76
Institutional investors, trade linkage, macroeconomic similarities, and contagion of the Thai crisis 82
Liberalization at any cost? Implications of IMF policy for sovereignty and stability in East Asia 82
Modelling evolving long-run relationships: the linkages between stock markets in Asia 92
Patterns of East Asian trade and intra-industry trade in manufactures 121
Pegging and macroeconomic performance in East Asia 102
Possible external shocks to Asia in 2001: how vulnerable are the regional economies? 77
Regional cooperation for control of transboundary air pollution in East Asia 145
Reintegration of formerly centrally planned economies into the global trading system 110
The ‘flying geese’ model of Asian economic development: origin, theoretical extensions, and regional policy implications 72
The East Asian crisis and the globalization discourse 81
The economics and politics of monetary regionalism in Asia 109
The emerging ASEAN plus three (APT) process: another building block for community building in the Asia Pacific? 110
INDEX OF COUNTRIES

The geography of international trade in services: Australia and the APEC region 97
The IMF after the Asian crisis: merits and limitations of the long-term development partner role 82
To intervene or not to intervene: exchange rate responses to capital flows in selected Asian economies 104
Vertical technology transfer via international outsourcing 124
Winners and losers in a North–South model of growth, innovation and product cycle 77

Working Papers
China and the East Asian model ‘a comparative institutional analysis’ perspective 153
Crisis and contagion in East Asia: nine lessons 155
Diverse paths toward ‘the right institutions’: law, the state, and economic reform in East Asia 151
Domestic bank regulation and financial crises—theory and empirical evidence from East Asia 154
Economic growth in East Asia before and after the financial crisis 154
Exchange rate risk management: evidence from East Asia 155
Fixed or floating: is it still possible to manage in the middle? 153
Growth after the Asian crisis: what remains of the East Asian model? 154
Monetary integration in East Asia: an empirical approach 155
On the road to recovery? International capital flows and domestic financial reforms in East Asia 153
Pegging and macroeconomic performance in East Asia 153
Private infrastructure in East Asia: lessons learned in the aftermath of the crisis 155
Realistic exchange rates: a post-Asian financial crisis perspective 152
Stock market responses to bank restructuring policies during the East Asian crisis 155
The East Asian crisis—a political economy explanation 151
The East Asian economic crisis and labour migration: a set-back for international economic integration? 153
Trade policy reform in the East Asian transition economies 155

Northeast Asia
Abstracts
Human development in the era of crisis: Northeast Asia in the 1990s 73
Is a free trade zone emerging in Northeast Asia in the wake of the Asian financial crisis? 111

Pacific Islands
Book Review
Confronting Fiji Futures 37

Booknote
A Clash of Paradigms: intervention, responses and development in the South Pacific 68

Abstracts
A model of aid impact in some South Pacific microstates 105
Aid–growth nexus: empirical evidence from Fiji 104
‘Benchmarking’ and participatory development: the case of Fiji’s sugar industry reforms 80
Do remittances decay? Evidence from Tuvaluan migrants in New Zealand 137
Ecoco-consciousness and development in Palau 146
Lessons for development from Pacific Island countries 74
Performance of public and private investment in Fiji 78
Recent economic developments in the Kingdom of Tonga 74
Taiwan’s foreign economic relations with developing nations: a case study of its ties with Palau 112
