Contents for 2002

We are pleased to announce that Commissioned Reviews and Original Articles to be published in forthcoming issues will include a selection from the following:

- Gill Salmon & Alison Kemp. ADHD: a survey of psychiatric and paediatric practice
- Oliver Chadwick, Jennifer Beecham, Nicola Piroth, Sarah Bernard & Eric Taylor. Respite care for children with severe intellectual disability and their families. Who needs it? Who receives it?
- Sharon Abrahams & Orlee Udwin. An evaluation of a primary care-based child clinical psychology service
- Tony Kaplan & the SAFE Team. From a short-life project to a mainstream service: convincing commissioners to fund a community adolescent mental health team – the Service for Adolescents and Families in Enfield (SAFE)
- Eric Trupin, David G. Stewart, Brad Beach & Lisa Boesky. Effectiveness of a dialectical behaviour therapy programme for incarcerated female juvenile offenders
- Leonor Montoliu & Tanya Crawford. Prescribing practices of general practitioners for children with mental health problems
- Maurice Place, Joanna Reynolds, Anna Cousins & Shelagh O’Neill. Developing a resilience package for vulnerable children
- Alan Rushton & Cherilyn Dance. Quality protects: a commentary on the Government’s agenda and the evidence base
- Alan E. Kazdin. The state of child and adolescent psychotherapy research
- Thomas H. Ollendick, Neville J. King & Peter Muris. Fears and phobias in children: phenomenology, epidemiology, and aetiology

In addition, there will be a selection from the usual special sections:

- Therapy Matters
- Points of Law
- Measurement Issues
- Journal Monitor
- Book News
- Personal Profile
- Dear Editors

Indexed/abstracted in PsycINFO and Psychological Abstracts
