Exchange rate regimes for emerging market economies: lessons from Asia 119
Monetary integration in East Asia 138
Post-crisis Asia: economic recovery and the challenges ahead 104
Preferences, interests, and regional integration: the development of the ASEAN industrial cooperation arrangement 138
Productivity growth in East Asia: a reappraisal 97
Recent trends and prospects for major Asian economies 94
Regionalization of trade and investment in East Asia and prospects for further regional integration 138
Remodeling East Asian development 94
Rescaling the region: the integration of Hawkes Bay food and forestry industries into East Asia 139
The ASEAN surveillance process and the East Asian Monetary Fund 139
The cause of the Asian crisis: fundamentals or contagion? 105
The role of China in East Asia after China entering the WTO 140
What explains the industrial revolution in East Asia? Evidence from the factor markets 98
Whither East Asian regionalism? 139
Working together for stability and cooperation in East Asia 139

Working Papers
Democratisation in East Asia 191
Did East Asian developing economies lose export competitiveness in the pre-crisis 1990s? 184
Export-led growth in East Asia: lessons for Europe’s transition economies 192
Is money still useful for policy in East Asia? 188
Setting monetary policy in East Asia: goals developments and institutions 186
The benefits and costs of group affiliation: evidence from East Asia 190
The political economy of foreign bank entry and its impact: theory and a case study 188
Northeast Asia

Booknotes
Northeast Asian Regionalism: lessons from the European experience 84
The Economic Development of Northeast Asia 68

Abstracts
Asia’s post-crisis regionalism: bringing the state back in, keeping the (United) States out 140
Cooperative R&D in Japan and Korea: a comparison of industrial policy 158
East Asian regionalism: a look at the ‘ASEAN plus Three’ framework 141
Newly emerging economic integration in Northeast Asia: challenges and prospects 140
The economic effects of China’s WTO accession on Northeast Asian economies 144

Pacific Islands

Book Reviews
A Clash of Paradigms: intervention, response and development in the South Pacific 60
The South Pacific 55

Booknote
The South Pacific 69

Abstracts
Demand for imports in Papua New Guinea 130
Fiji’s economic woes: a nation in search of economic development 95
Governance of the South Pacific tuna fishery 163
Impact of financial sector reforms and stability of money demand in Samoa 123
Incorporated land groups: part of the problem or part of the solution? 150
Informal insurance and sustainable management of common-pool marine resources in Ha’apai, Tonga 181
Information exchange and global economic regulation—for whose benefit? 133
Land tenure and sugar production in Fiji: property rights and economic performance 150
New Caledonia: problems and promises—a survey 95
Offshore financial centres and internal development in the Pacific islands 133
Policy transfer and reversal: customary land registration from Africa to Melanesia 151
Reforms in exchange rate arrangements: is there a case for a currency board in Vanuatu? 123
The land tenure dilemma in Fiji—can Fijian landowners and Indo-Fijian tenants have their cake and eat it too? 151
Vanuatu—a case of mixed performance 95

Russian Far East

Booknote
The Russian Far East and Pacific Asia: unfulfilled potential 76

Southeast Asia

Literature Survey
State Power and Private Profit: the political economy of corruption in Southeast Asia 18

Booknotes
Developing Countries in the World Trading System: the Uruguay Round and beyond 86
Local Cultures and the ‘New Asia’: the state, culture, and capitalism in Southeast Asia 70
Regional Outlook: Southeast Asia 2002–2003 70
The Political Economy of Southeast Asia: conflicts, crises and change 75

Abstracts
ASEAN and the future of Southeast Asian regionalism 142
Bridging the digital divide in Southeast Asia: pilot agencies and policy implementation in Thailand, Malaysia, Vietnam, and the Philippines 172
East Asian regionalism: a look at the ‘ASEAN plus Three’ framework 141
Growth and poverty reduction: an empirical analysis 175
Human resource competitiveness and inflow of foreign direct investment to the ASEAN region 132
Looking beyond AFTA: prospects and challenges for inter-regional trade 143
Managing a tourism crisis in Southeast Asia: the role of national tourism organisations 165
Rethinking the Southeast Asian development model: bringing ethical and governance questions in 96
Should the Southeast Asian countries form a currency union? 143
Southeast Asia and the politics of vulnerability 96
Index of Countries

Stock market and macroeconomic fundamental dynamic interactions: ASEAN-5 countries 126
The challenge of technological development for ASEAN: intraregional and international cooperation 158

Working Papers
ASEAN’s fledgling debt securities markets: more tasks ahead 185
Globalisation, liberalisation, poverty and income inequality in Southeast Asia 189
Liberalisation of international trade in financial services in Southeast Asia: Indonesia, Malaysia, Philippines and Thailand 188
Non-linear dependence in ASEAN-5 foreign exchange rates 186
Poverty incidence and sectoral growth: evidence from Southeast Asia 190
Recent political developments in Southeast Asia 184
Re-thinking the Southeast Asian Development model (SEADM): bringing ethical and governance questions in 191
Safety nets and opportunity ladders: addressing vulnerability and enhancing productivity in South Asia 192
The social impact of globalisation in Southeast Asia 189
Trade policy and the welfare of Southeast Asian timber exporters: some implications for forest resources 184

Transitional Economies

Booknote
When Economies Change Paths: models of transition in China, the Central Asian Republics, Myanmar and the nations of former Indochine Francaise 70

Abstract
Government-nonprofit partners for health sector reform in Central Asia: family group practice associations in Kazakhstan and Kyrgyzstan 176

Brunei Darussalam

Abstract
The ageing population of Brunei Darussalam: trends and economic consequences 165

Cambodia

Abstract
Cambodia in 2001: toward democratic consolidation? 109

Working Papers
Considering equity in health sector reform, case study of new deal in Sotnikum, Cambodia 188
Macroeconomic adjustment in a highly dollarized economy: the case of Cambodia 189
Policy options for Cambodia’s Ream National Park: a stakeholder and economic analysis 184
Should we bet on private or public water utilities in Cambodia? Evidence of incentives and performance in seven provincial towns 192

East Timor

Booknote
Land Claims in East Timor 88

Hong Kong

Booknotes
Crisis and Transformation in China’s Hong Kong 75
Entrepreneurship and the Internationalisation of Asian Firms: an institutional perspective 83

Abstracts
Clustering of foreign direct investment and enhanced technology transfer: evidence from Hong Kong garment firms in China 156
Dangers of differential comprehensions of Hong Kong’s competitive advantages: evidence from firms and public servants 145
Economic integration and the circulation of Hong Kong dollars in southern China 121
Entrepôt no more? Why China’s WTO entry is not a zero sum game 144
