Call for Papers
10th Joint Seminar of the Geneva Association and the European Association of Law and Economics

>>> Deadline for Abstracts: January 30, 2003 <<<

The 10th joint seminar of the Geneva Association for the Study of Insurance Economics and the European Association of Law and Economics (EALE) will be held in Rotterdam, 14-15 April 2003.

The conference is open to all. It is organized as a joint seminar of the Geneva Association and the EALE.

The general topic of the seminar will be Insurance and Catastrophic Accidents. The programme includes papers on Insurability of Catastrophic Losses, Coverage of War Events and Terrorism, Management of Large Catastrophes, and Legal and Economic Aspects of Business Interruption. Other papers in the field of Government and Insurance Markets, Economics of Liability and Insurance can be presented.

More particularly, the organizers would like to receive papers on:

- The economic function and value of insurance
- Insurability, its limits and extensions
- The role of governments in insurance markets
- Global financial architecture, implications for regulation, supervision and accountancy issues

Those who would like to submit a paper at the conference are invited to send an abstract by January 30, 2003 to:

Prof. Dr Roger Van den Bergh
Erasmus University Rotterdam
Faculty of Law, Room L5-121
P.O. Box 1738

The 3rd CEO Insurance Summit in Asia
Eyening World Class Standards – The Asian Approach

The 1st CEO summit, which took place in Singapore, examined issues for survival at a time when the insurance industry in Asia was recovering from the Asian financial crisis. In March 2002, the 2nd CEO Insurance Summit considered how to balance best business performance and public obligations. Looking ahead to 2003, the CEO Summit will challenge once again top managers and insurance professionals with topics linked to strategic issues facing the industry. Holding the conference next year in Hong Kong will also provide a special setting for dealing with topics relating to China.
