EDITORIAL
Preventive Cardiology was launched in response to the exponential growth of knowledge in the prevention of cardiovascular disease. Advances at both the basic and clinical levels have been extensive and continue to evolve rapidly. Preventive Cardiology provides a unique forum for the research of investigators and clinicians covering the many diverse but related disciplines that contribute to the prevention of heart and vascular disease.

REPRODUCTION REQUIREMENTS

Negative, right reading, emulsion side down. All reproduction materials must have register marks, center marks, and trim marks clearly indicated. Each positive must be marked for color. Color ads must be accompanied by a press match color and a dylux or laser proof. Black and white ads must be accompanied by a dylux or laser proof.

Electronic artwork conforming to these guidelines will be accepted when provided as high-resolution .pdf or .eps files.

GENERAL INFORMATION

Le Jacq guarantees uniform rates and discounts to all advertisers using same amount and kind of space. No exceptions to published rates. Only insertions of a parent company and subsidiaries are combined to determine the earned rate. After firm space commitment has been made, extensions will be given for reproduction materials. If ad copy is not provided by closing date, Le Jacq reserves the right to repeat a former ad. Cancellations must be received in writing by space closing deadline.

If space is cancelled after deadline or ad materials are received too late, the advertiser will be charged for the insertion.
