

# Conflict of Interests Form

## *Clinical Obesity*

Title	
-------	--

**ALL authors must complete and sign this form. The completed form must be returned to the editorial office before the article can be accepted for publication.**

**A conflict of interest exists when professional judgment concerning a primary interest (such as patients' welfare or the validity of research) may be influenced by a secondary interest (such as financial gain or personal rivalry).**

***Please answer all of the following questions:***

1. Have you in the past five years accepted the following from an organisation that may in any way gain or lose financially from the results of your study or the conclusions of your article:

Reimbursement for attending a symposium?

Yes  No

A fee for speaking?

Yes  No

A fee for organising education?

Yes  No

Funds for research?

Yes  No

Funds for a member of staff or your laboratory?

Yes  No

Fees for consultancy?

Yes  No

2. Have you in the past five years been employed by an organisation in excess of US\$10 000 that may in any way gain or lose financially from the results of your study or the conclusions of your article?

Yes  No

3. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the results of your study or the conclusions of your article?

Yes  No

4. Do you have any other conflicting interests? If so, please specify.

Yes  No

If you have answered "yes" to any of the above 4 questions, please type a statement below and send it to us for pasting into the Article. Here is an example:

*'BJP has acted as a paid consultant to Faust Pharmaceuticals Inc. and has received funding for research carried out in this work.'*
