

Natural Resources FORUM

A United Nations Sustainable Development Journal

Call for Book Reviews

The *Natural Resources Forum*, a quarterly journal issued by the United Nations Department of Economic and Social Affairs (DESA) and published by Blackwell, welcomes the review of current titles that address themes to be considered by the United Nations Commission of Sustainable Development in its 16 and 17th sessions:

- Africa
- Agriculture
- Rural Development
- Land
- Drought
- Desertification

The *Natural Resources Forum* focuses on inter-linked, multidisciplinary issues related to sustainable development, particularly in developing countries and countries in transition.

Each issue of the *Forum* features between 4 and 7 book reviews. Book review submissions should run from 850 to about 1,500 or a maximum of 2,000 words. Footnotes and references are not necessary.

Questions, comments, and abstracts can be addressed to:
