6th Congress of the European Family Therapy Association and 32nd Association for Family Therapy and Systemic Practice UK Conference

Beyond Oppositions:
Individuals, Families, Communities
4th – 6th October 2007

The sixth Conference in this strong working partnership between EFTA and successive national family therapy associations is the first ever EFTA/AFT UK conference. This exciting collaborative educational venture will enable you to update yourself about recent developments in Mental Health and Social Care practice and enhance your understanding about how families function. The emphasis is on current thinking about how families can be supported in their different cultural contexts throughout Europe through family therapy and systemic practice. Aimed at professionals at all levels in health, social services and academia, government, private practice and voluntary organizations, and held in a world class venue with technical facilities of the highest calibre, it will provide a feast of information, opportunities and new contacts.

Plenary Presentations Given By:
• Harlene Anderson, USA
• Michael & Margaret Rustin, UK
• Edgar Morin, France • Boris Cyrulnik, France
