

EXCLUSIVE LICENSE AGREEMENT

Date: _____ Contributor name: _____

Contributor address: _____

Re: Manuscript entitled _____

_____ (the "Contribution")

for publication in _____ **Clinical and Experimental Dermatology** _____ (the "Journal")

published by _____ **Blackwell Publishing Ltd.** _____

or any successor publisher ("Wiley-Blackwell") on behalf of the *British Association of Dermatologists* ("the Society").

Dear Contributor(s):

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable Wiley-Blackwell on behalf of the Society to disseminate your Contribution to the fullest extent, we need to have this Exclusive License Agreement signed and returned as directed in the Journal's instructions for authors as soon as possible. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected, this Agreement shall be null and void. **Publication cannot proceed without a signed copy of this Agreement.**

A. COPYRIGHT

1. The Contributor grants to the Society an exclusive license of all rights of copyright in and to the Contribution during the full term of copyright and any extensions or renewals, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

2. Reproduction, posting, transmission or other distribution or use of the final Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the Journal and an appropriate credit to the Society and Wiley-Blackwell as publisher, suitable in form and content as follows: (Title of Article, Contributor, Journal Title and Volume/Issue, Copyright © [year][Copyright owner] [Publisher and Society]. Links to the final Contribution on Wiley-Blackwell's website are encouraged, where appropriate.

B. RETAINED RIGHTS

Except as provided above, the Contributor or, if applicable, the Contributor's Employer, retains all proprietary rights including copyright in the Contribution, such as patent rights, in any process, procedure or article of manufacture described in the Contribution.

C. PERMITTED USES BY CONTRIBUTOR

1. **Submitted Version.** The Society licenses back the following rights to the Contributor in the version of the Contribution as originally submitted for publication:

a. After publication of the published final version, the right to self-archive on the Contributor's personal website, or in the Contributor's institution/ employer's institutional repository or archive. This right extends to both intranets and the Internet. The Contributor may not update the submitted version or replace it with the published Contribution. The version posted must contain a legend as follows: This is the pre-peer-reviewed version of the following article: FULL CITE, which has been published in final form at [Link to final article].

b. The right to transmit, print and share copies with colleagues.

2. **Accepted Version.** Re-use of the accepted and peer-reviewed (but not final) version of the Contribution shall be by separate agreement with Wiley-Blackwell. Requests for permission should be addressed to the Wiley-Blackwell permissions department at Journalrights@wiley.com. Wiley-Blackwell has agreements with certain funding agencies governing re-use of this version. The details of those relationships, and other offerings allowing open web use, are set forth at the following website: <http://www.wiley.com/go/funderstatement>. NIH grantees should check the box at the bottom of this document.

3. **Final Published Version.** The Society hereby licenses back to the Contributor the following rights with respect to the final published version of the Contribution:

a. Copies for colleagues. The personal right of the Contributor only to send or transmit individual copies of the final published version in any format to colleagues upon their specific request provided no fee is charged, and further-provided that there is no systematic distribution of the Contribution, e.g. posting on a listserve, website or automated delivery.

b. Re-use in other publications. The right to re-use the final Contribution or parts thereof for any publication authored or edited by the Contributor (excluding journal articles) where such re-used material constitutes less than half of the total material in such publication. In such case, any modifications should be accurately noted.

c. Teaching duties. The right to include the Contribution in teaching or training duties at the Contributor's institution/place of employment including in course packs, e-reserves, presentation at professional conferences, in-house training, or distance learning. The Contribution may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars). Electronic posting of the final published version in connection with teaching/training at the Contributor's institution/place of employment is permitted subject to the implementation of reasonable access control mechanisms, such as user name and password. Posting the final published version on the open Internet is not permitted.

d. Oral presentations. The right to make oral presentations based on the Contribution.

4. **Article Abstracts, Figures, Tables, Data Sets, Artwork and Selected Text (up to 250 words).**

a. Contributors may re-use unmodified abstracts for any non-commercial purpose. For on-line uses of the abstracts, the Society encourages but does not require linking back to the final published versions.

b. Contributors may re-use figures, tables, data sets, artwork, and selected text (up to 250 words) from their Contributions, provided the following conditions are met:

- (i) Full and accurate credit must be given to the Contribution.
- (ii) Modifications to the figures, tables and data must be noted. Otherwise, no changes may be made.
- (iii) The re-use may not be made for direct commercial purposes, or for financial consideration to the Contributor.
- (iv) Nothing herein shall permit dual publication in violation of journal ethical practices.

D. CONTRIBUTIONS OWNED BY EMPLOYER

1. If the Contribution was written by the Contributor in the course of the Contributor's employment (as a "work-made-for-hire" in the course of employment), the Contribution is owned by the company/employer which must sign this Agreement (in addition to the Contributor's signature) in the space provided below. In such case, the company/employer hereby grants to the Society an exclusive license of all rights of copyright in and to the Contribution for the full term of copyright throughout the world as specified in paragraph A above.

2. In addition to the rights specified as retained in paragraph B above and the rights granted back to the Contributor pursuant to paragraph C above, the Society hereby grants back, without charge, to such company/employer, its subsidiaries and divisions, the right to make copies of and distribute the final published Contribution internally in print format or electronically on the Company's internal network. Copies so used may not be resold or distributed externally. However the company/employer may include information and text from the Contribution as part of an information package included with software or other products offered for sale or license or included in patent applications. Posting of the final published Contribution by the institution on a public access website may only be done with written permission from Wiley-Blackwell and payment of any applicable fee(s). Also, upon payment of Wiley-Blackwell's reprint fee, the institution may distribute print copies of the published Contribution externally.

E. GOVERNMENT CONTRACTS

In the case of a Contribution prepared under U.S. Government contract or grant, the U.S. Government may reproduce, without charge, all or portions of the Contribution and may authorize others to do so, for official U.S. Government purposes only, if the U.S. Government contract or grant so requires. (U.S. Government, U.K. Government, and other government employees: see notes at end).

F. COPYRIGHT NOTICE

The Contributor and the company/employer agree that any and all copies of the final published version of the Contribution or any part thereof distributed or posted by them in print or electronic format as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal as published by Wiley-Blackwell on behalf of the Society.

G. CONTRIBUTOR'S REPRESENTATIONS

The Contributor represents that the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all individuals who contributed are included. If the Contribution was prepared jointly, the Contributor agrees to inform the co-Contributors of the terms of this Agreement and to obtain their signature to this Agreement or their written permission to sign on their behalf. The Contribution is submitted only to this Journal and has not been published before. (If excerpts from copyrighted works owned by third parties are included, the Contributor will obtain written permission from the copyright owners for all uses as set forth in Wiley-Blackwell's permissions form or in the Journal's Instructions for Contributors, and show credit to the sources in the Contribution.) The Contributor also warrants that the Contribution contains no libelous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury.

H. INFRINGEMENT OF COPYRIGHT

If the copyright in the Contribution is infringed, the Contributor agrees that Wiley-Blackwell may (without any obligation) take such steps as it considers necessary to deal with the matter. The Contributor will co-operate fully with Wiley-Blackwell in any infringement proceedings and agrees to execute any documents and do any acts reasonably required by Wiley-Blackwell for such purposes.

Contributors must sign below. Contributors must check one box except that NIH grantees should check both the Contributor-owned work and the NIH grantee box. If your Contribution was written during the course of employment, your employer must also sign where indicated.

This accepted version will be made publicly available 12 months after publication. For further information, see www.wiley.com/go/nihmandate .	

AUTHOR CONSENT FORM

We the undersigned qualify as authors¹ to this manuscript and warrant that nobody who qualifies for authorship has been excluded. We agree to its submission to *Clinical and Experimental Dermatology* and, if accepted, to its publication in this journal. We warrant that this article is original, does not infringe on any copyright or other proprietary right of any third party, is not under consideration by another journal and has not been previously published. Ethical approval has been sought and obtained as necessary and any conflicts of interest stated.
