EVJ/AAEP Supplement 2012: Call for submissions

In 2012 EVJ, in partnership with AAEP, will publish a Supplement containing articles from presentations to be made at the 2012 Annual Convention. In order to have manuscripts considered for publication in the Supplement and as an oral presentation at the Convention, authors must submit a manuscript to EVJ and a separate abstract of the work to AAEP each with separate deadlines.

Authors wishing to submit manuscripts for consideration for the 2012 EVJ/AAEP Supplement can find our Author guidelines on wileyonlinelibrary.com/journal/evj. The deadline for submission to EVJ is 11 February 2012.

Details of how to submit an abstract for presentation at the Convention can be found at www.aaep.org. The deadline for submission to AAEP is 15 March 2012.
