Names of all authors in the order in which they appear in the Article:

In order for your Article to be distributed as widely as possible on an Open Access basis in Fish and Fisheries (the Journal) you grant Blackwell Publishing Ltd (Blackwell Publishing) an exclusive licence to publish the above Article including the abstract in printed and electronic form, in all languages. This will enable Blackwell Publishing to provide the benefits of Open Access publishing while preserving the integrity and archival status of all published articles.

The Article is deemed to include all material submitted for publication with the exception of Letters, and includes the text, figures, tables, author contact details and all supplementary material accompanying the Article.

Please read this form carefully, sign at the bottom (and if your employer owns copyright in your work, arrange for your employer to sign where marked), and return the ORIGINAL to the address below as quickly as possible. As author, *you remain the copyright owner of the Article*, unless copyright is owned by your employer. (US Federal Government authors please note: your Article is in the public domain.)

Your Article will not be published unless an Open Access Exclusive Licence Form has been signed and received by Blackwell Publishing, together with the accompanying Payment Authorization Form.

Open access: You require that the Article be published on an Open Access basis. This means that the full text of the Article can be accessed by readers without paying the publisher. Blackwell Publishing's current definition is at <http://www.blackwellpublishing.com/static/openaccess.asp?site=1>

Please note: You retain the following rights to re-use the Article, as long as you do not sell or reproduce the Article or any part of it for commercial purposes (i.e. for monetary gain on your own account or on that of a third party, or for indirect financial gain by a commercial entity). This does not affect your rights to receive a royalty or other payment for works of scholarship. These rights apply without needing to seek permission from Blackwell Publishing.

- **Prior to acceptance:** We ask that as part of the publishing process you acknowledge that the Article has been submitted to the Journal. You will not prejudice acceptance if you use the unpublished Article, in form and content as submitted for publication in the Journal, in the following ways:
 - sharing print or electronic copies of the Article with colleagues;
 - posting an electronic version of the Article on your own personal website, on your employer's website/repository and on free public servers in your subject area.
- **After acceptance:** Provided that you give appropriate acknowledgement to the Journal and Blackwell Publishing, and full bibliographic reference for the Article when it is published, you may use the published version of the Article in the following ways:
 - you may share print or electronic copies of the Article with colleagues;
 - you may use all or part of the Article and abstract in personal compilations or other scholarly publications of your own work (and may receive a royalty or other payment for such work);
 - you may use the Article within your employer's institution or company for educational or research purposes, including use in course packs;
 - You may post the final PDF of the Article on your own personal website, on your employer's website/repository and on free public servers in your subject area. Blackwell Publishing will deposit the full-text of your article on publication with PubMed Central (PMC) in addition to any mirror of PMC (e.g. UKPMC).
 - Electronic versions of the accepted Article must include the following statement, adapted as necessary for your Article: 'Author Posting. © The Authors {Insert year of publication} This is the author's version of the work. For full bibliographic citation, please refer to {insert journal name}, {insert volume, issue number and pages}. <http://dx.doi.org/> {insert doi number}'

Third parties will be entitled to re-use the Article, in whole or in part, in accordance with the conditions outlined in the Creative Commons Deed, Attribution 2.5 Non-Commercial (further details from www.creativecommons.org), which allows Open Access dissemination of your work, but does not permit commercial exploitation or the creation of derivative works without your permission. Please address any queries to journalsrights@oxon.blackwellpublishing.com.

FISH AND FISHERIES: Open Access Payment Authorization

In order for your article to be distributed as widely as possible on an Open Access basis in Fish and Fisheries, you must complete the accompanying Open Access Exclusive Licence Form in addition to this Payment Authorization Form. On payment of a one-off fee by or on behalf of the Author(s), your manuscript (as both full-text HTML and PDF) will be made available for viewing and download as an OnlineOpen article available through http://www.blackwell-synergy.com permanently free of charge to all readers – no subscriptions or memberships are required.

OnlineOpen papers receive the same rigorous editorial and production treatment as all other articles contained within the Journal, including the same quality of peer review, copy-editing and registration with Abstracting and Indexing services. OnlineOpen papers are also indicated as such in the print version of the journal, and with all third parties and indexing services supplied by Blackwell Publishing. Please note:

- 1. You will only be charged if your paper is accepted for publication.
2. Your paper will not be indicated as OnlineOpen to reviewers.

Blackwell Publishing cannot publish your paper as OnlineOpen without receipt of this form. The form must be completed together with the accompanying Open Access Exclusive Licence Form and sent to the Journal Editorial Office on or before the final acceptance of your manuscript.
