

Journal of Animal Ecology

Editor's Note

The Editors and Associate Editors of the *Journal of Animal Ecology* rely upon the commitment, expertise and judgement of its referees to maintain the high standard of the research it publishes. We would like to thank the following people who have given up their time and put in considerable effort to review manuscripts that have been submitted to the *Journal of Animal Ecology* during 2010 and 2011. Their help and valuable comments are much appreciated by the Editors and Authors alike.
