## Legal Studies

Edited by **ROB MERKIN, JENNY STEELE & NICK WIKELEY**

**LEGAL STUDIES** is the journal of the Society of Legal Scholars (SLS). **LEGAL STUDIES** is widely recognised as one of the foremost academic law journals in the UK and enjoys an international readership within the common law world and beyond. **LEGAL STUDIES** seeks to publish work

which truly represents the broad range of interests across all legal scholarship, including doctrinal, conceptual, and socio-legal analyses. The journal warmly welcomes contributions from all those who wish to reach a broad international and UK readership. **LEGAL STUDIES** is a generalist peer-reviewed law journal and aims to include a varied range of scholarly articles in each issue. The book reviews section is an important feature of the journal, in which distinguished writers provide major academic reviews of recent contributions to legal literature.

## The Philosophy of Law

**MARK C. MURPHY**

*Georgetown University*

Beginning with the deceptively simple question 'What is law?' **THE PHILOSOPHY OF LAW** introduces readers to the basic analytical and normative issues in the field. This broad-reaching text discusses the concepts of law, highlights key historical and contemporary thinkers who have shaped the discourse, and proposes a unified treatment of the various issues in the philosophy of law.

ONE OF THE TOP FIVE JOURNALS IN BOTH ETHICS AND PUBLIC ADMINISTRATION

## Philosophy & Public Affairs

Edited by **CHARLES R. BEITZ**

Issues of public concern often have an important philosophical dimension. **PHILOSOPHY & PUBLIC AFFAIRS** is published in the belief that a philosophical examination of these issues can contribute to their clarification and to their resolution. It welcomes philosophical discussion of substantive legal, social, and political problems, as well as discussions of the more abstract questions to which they give rise. In addition, it aims to publish studies of the moral and intellectual history of such problems. **PHILOSOPHY & PUBLIC AFFAIRS** is designed to fill the need for a venue in which philosophers with different viewpoints and philosophically inclined writers from various disciplines—including law, political science, economics, and sociology—can bring their distinctive methods to bear on problems that concern everyone.

## Rawls's Law of Peoples

A Realistic Utopia?

Edited by **REX MARTIN & DAVID REIDY**

University of Kansas at Lawrence; University of Tennessee at Knoxville

This volume examines John Rawls's theory of international justice as worked out in his last and perhaps most controversial book, *The Law of Peoples*. It contains new and stimulating essays written by pre-eminent theorists in the field, which situate Rawls's *The Law of Peoples* historically and methodologically, and examine all its key ingredients: its thin cosmopolitanism, its doctrine of human rights, its principles of global economic justice, and its normative theory of liberal foreign policy.

## Children and the Law

The Essential Readings

Edited by **RAY BULL**

Portsmouth University

*"An enlightening read and one to be commended."*

PEGGY RAY, FAMILY LAW, MARCH 2002

Growing awareness of children's involvement in crime has given rise to new research into how to treat children in legal settings. This volume brings together thirteen of the most significant papers, illustrating important issues in five key areas: child victimisation, the reliability of children's accounts, truth and lies, children and the legal system, and children as perpetrators.
