

BLACKWELL PUBLISHING COPYRIGHT ASSIGNMENT FORM

This Agreement is made with Blackwell Publishing Ltd. The Agreement is for the Article submitted by you ("Author") for publication, and is referred to in this Agreement as "Article", where Article is deemed to cover Original Articles, Editorials, Reviews, Book Reviews, Forum papers, Comments and Opinions.

To enable Blackwell Publishing to publish the Article in *Parasite Immunology* ("the Journal"), the ownership of copyright must be established. Please read and complete the form below and return one copy to the address given below. You MUST complete section A; sections B, C or D need to be completed as appropriate. There are explanatory notes to this Agreement, which also form part of the Agreement.

The Article cannot be published until this signed Agreement is received by Blackwell Publishing.

SECTION A: Author's Warranty (Please PRINT your details)

Name:

Address:

Article title (or provisional Article title):

Names of all authors in the order in which they appear in the Article:

In consideration of the publication of the Article in the above Journal, I hereby warrant and undertake:

- a. that this Article is an original work, has not been published before and is not being considered for publication elsewhere in its final form either in printed or electronic form.
- b. that I have obtained permission from the copyright holder to reproduce in the Article (in all media including print and electronic form) material not owned by me, and that I have acknowledged the source;
- c. that this Article contains no violation of any existing copyright or other third party right or any material of an obscene, indecent, libellous or otherwise unlawful nature and that to the best of my knowledge this Article does not infringe the rights of others;
- d. that I will indemnify and keep indemnified the Editors and Blackwell Publishing against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on my behalf in this Agreement;
- e. that in the case of a multi-authored Article I have obtained copyright assignment from all co-authors, in writing, and authorisation to enter into this Agreement on their behalf and that all co-authors have read and agreed the above warranties;

Author: Signed: Date:

SECTION B: Copyright Assignment

In consideration of the publication of the Article in the Journal, I hereby assign to Blackwell Publishing copyright for the full period of copyright and all renewals, extensions, revisions and revivals together with all accrued rights of action throughout the world in any form and in any language (including all media, both now known or later developed). Blackwell Publishing may assign its rights under this Agreement. Notwithstanding the above, I retain all proprietary rights other than copyright, such as patent and trade mark rights and rights to any process or procedure described in the Article.

Author: Signed: Date:

In signing this form, the signee asserts that any authors not signing have authorised the signee to do so on their behalf, and that the manuscript submitted has been approved by these authors in the form in which it has been submitted, and that the warranties given above have been read and agreed by all authors.

SECTION C: If copyright in the Article is owned by someone other than the Author (US Government employees go to section D)

I hereby grant Blackwell Publishing non-exclusive rights to reproduce and/or distribute this Article (in full or in part) and to publish the same throughout the world in any format and in all languages including without limitation in printed, electronic or other medium on optical disk, transmission over the internet and other communication networks and in any other electronic form, and to authorise others (including reproduction rights organisations such as the Copyright

Licensing Agency and the Copyright Clearance Center) to do the same. Blackwell Publishing may assign its rights under this Agreement.

Further, I hereby warrant that I have obtained the consent of the copyright holder of the Article to grant the above rights to Blackwell Publishing and that publication by Blackwell Publishing will not infringe the copyright of any other person.

Title of copyright holder:

This will be printed on the copyright line on each page of the Article. It is the Author's responsibility to provide the correct information of the copyright holder.

Signed on behalf of copyright holder: Date:

Title/position/address:

.....

In signing this form, the signee asserts that the manuscript submitted has been approved by all authors in the form in which it has been submitted, and that the warranties given above have been read and agreed by all authors.

SECTION D: If you are a US Federal Government employee

I hereby warrant that I am an employee of the US Federal Government, and that the Article has been written within this capacity.

Author: Signed: Date:

US law states that all work created by US Federal Government employees is in the public domain. Blackwell Publishing therefore makes no claim to original US Government works

Full details regarding the assignment of copyright, the management of permissions, and what rights are granted back to the authors can be found on the accompanying Notes, which form part of this Agreement.

Data Protection

The Publisher may store your name and contact details in electronic format in order to correspond with you about the publication of your article in the journal. We would like to contact you from time to time with information about new Blackwell publications and services in your subject area. (For European contributors, this may involve transfer of your personal data outside the European Economic Area). If you do not wish to be contacted in this way, please check this box:
