

## Patient Consent Form

### **INFORMED WRITTEN CONSENT FOR PUBLICATION OF MATERIAL IN PEDIATRIC ANESTHESIA**

TITLE OF ARTICLE	AUTHORS
------------------	---------

*Pediatric Anesthesia* requires that authors use the BMJ guidelines on patient consent to publication: <http://resources.bmj.com/bmj/about-bmj/ethics-committ/consent-to-publication> . If individuals might be identified from a publication (e.g. from images or from details), authors must obtain explicit consent from the individual or, if a child, a parent or legal guardian.

***This completed form must be submitted to the editorial office via the Scholar One Manuscripts site on submission of the paper. Publication will be delayed until its receipt.***

- I have seen this material and I hereby give my consent for it to appear in *Pediatric Anesthesia*. I give permission for this same material to be used in all form or medium, including all forms of electronic and print publication or distribution anywhere in the world. As a result, I understand that the general public may see the material.
- I understand that the material will be published without my child's name/my name attached, and that every attempt will be made to ensure my anonymity. I accept, however, that complete anonymity cannot be guaranteed. It is possible that someone, somewhere – perhaps, for example, someone who cared for me in hospital or, say, a relative – may identify me.
- I understand that the material will not be used for advertising or packaging; neither will it be taken out of context.
- I hereby give permission (Parent or legal guardian):
