Nominations to the Editorial Board of the journal Sociology of Health & Illness

Several vacancies on the Editorial Board of the journal *Sociology of Health & Illness* will be determined by election at the Annual General Meeting of the BSA Medical Sociology Group at the Conference at the **University of Sussex, on Friday 5th September 2008.**

The Editorial Board meets twice a year, usually once at the Medical Sociology Conference and once in London. We expect all Editorial Board members to take an active role on the Board. This includes refereeing articles throughout the year and contributing to the Board meetings, which advise the Editors. Elected members serve a three year term, after which they are eligible for re-election for one further term.

Please note that nominees do not need to be members of the British Sociological Association.

Nominees should complete the following form and return (preferably electronically) by the method outlined below:

Person to be nominated for the Editorial Board:

Name:

E-mail address (for confirmation of receipt of nomination):.....

Proposer of the above person:

Name:

Candidate Statement

A brief (maximum one-page) statement highlighting the nominee's CV, key publications and research interests must be attached to the nomination. This will then be publicised in advance of the conference to provide relevant information to voters.

This form should be emailed, by **Friday 22nd August** to:

Professor Rob Flynn (Chair of the Board) R.flynn@salford.ac.uk
with a copy of the email being sent simultaneously to the proposer.

Late nominations, and nominations without a supporting statement, will not be accepted.
