

4. Do any of the authors have any other potential competing interests that readers or editors might consider relevant to this publication? (*E.g. political or religious affiliations*). YES/NO
 If yes, please describe below:

Authorship and Contributorship

5. We declare that all listed authors have made substantial contributions to **all** of the following three parts of the manuscript:

- research design, or acquisition, analysis or interpretation of data;
- drafting the paper or revising it critically;
- approving the submitted version.

We also declare that no-one who qualifies for authorship has been excluded from the list of authors.

6. The Corresponding Author agrees to communicate with all other authors and will obtain their approval for the final version to be published.

Role of Authors and Contributors

7. Give a short description of each individual's contribution to the research and its publication (*E.g. designed study, analysed data, drafted paper*).

8. Was this research or its publication assisted by any non-financial or 'in-kind' contributions? YES/NO
 (*e.g. provision of writing assistance, literature searching, data analysis, administrative support, supply of materials*).
 If yes, give details:

9. Written approval has been obtained from all individuals listed in the acknowledgements.

Ownership

10. I/we state that the submitted work is my/our own and that copyright has not been breached in seeking its publication.

11. Copies of permission letters for any material reproduced from other, copyrighted publications (E.g. tables or figures) have been obtained and sent to the Editorial Office by regular mail. YES/NO/NOT APPLICABLE

Originality

12. I/we declare that the submitted work has not previously been published in full and is not currently being considered for publication elsewhere.

13. I/we declare that re-publication of any data (e.g. a secondary analysis or translation) will not constitute redundant publication, will not breach copyright and will reference the original publication. In such cases a copy of the original paper has been sent to the Editorial Office for consideration with the current submission. YES/NO/NOT APPLICABLE

Registration of clinical trials

14. For clinical trials state:

- Trial registration number
- Name of trial register

If none available, please provide an explanation:

Ethical framework

15. This study was approved by the relevant bodies (e.g. institutional review boards, research ethics committees, national authorities). YES/NO
Please give details below:

16. Appropriate consent was obtained from all research participants. YES/NO/NOT APPLICABLE
If no, please provide an explanation
(*'Not applicable' is only acceptable for experimental studies*):

17. Consent for publication has been obtained from living individuals who might be identified from data or images included in this publication (or their families in the case of the deceased). YES/NO/NOT APPLICABLE
If no, please provide an explanation.

This document must be signed by all Authors.

By signing below I certify that the information provided above is correct and complete to the best of my knowledge and belief.
