Confidential comments to Editor

Yes No

Please tick

Is the work of a sufficiently high quality to merit publication?

Is the work sufficiently original?

Is the manuscript well written?

Is the manuscript of an appropriate length?

If you answered "yes" to the first four questions, should the manuscript be published as submitted? (If not, please list minor revisions on the sheet to be transmitted to the authors)

Could the manuscript be published if revised? (Please list major requirements for revision on the sheet to be transmitted to the authors)

Would you like to see the revised manuscript?

If recommended for publication, please give a priority rating between 1 (lowest) and 5 (highest)
