

MANUSCRIPT SUBMISSION VIA THE JMG ELECTRONIC EDITORIAL OFFICE

Manuscripts must be page numbered, and the main text must be line numbered.

You should have the following information readily available for entering by cut and paste:

- Title and Running Title of the manuscript
- Abstract
- Keywords
- First Names, Middle Names/Initials, Last Names of all Authors
- Institutions and Departments of all authors
- Email addresses of authors
- Names, email addresses and institutions of appropriate/inappropriate peer reviewers (if any).
- Manuscript files in PDF, Word, WordPerfect, text, or RTF format.

Manuscripts may be uploaded as:

- Complete manuscript
- Supplementary files

Or as individual files (which will automatically be combined into a single file) arranged as:

- Manuscript text
- Reference list
- Figure and table captions
- Figure files
- Table files
- Supplementary files

Supplementary files consist of material that will NOT appear in the print issue of the manuscript, but will be available for download from the JMG web site through Blackwell Synergy.

Supplementary files might be extensive datasets (of which a representative data subset should be published in the hard copy), additional figures or tables, or file types that cannot be represented in hard copy e.g. quicktime movies.

The main text file should not be elaborately formatted using sections, word document styles etc, and figures and tables should be at the end of the manuscript and not embedded amongst the text.

Authors should consult the Author Guidelines and the detailed guidance on electronic artwork preparation, and formats to use at <http://www.blackwellpublishing.com/authors/digill.asp>.
