**JOURNAL OF APPLIED ECOLOGY: Exclusive Licence Form**

Author's name: .....

Author's address: .....

Title of article ("Article"): .....

Manuscript no. (if known): .....

Names of all authors in the order in which they appear in the Article: .....

In order for your Article to be distributed as widely as possible in Journal of Applied Ecology (the Journal) you grant Blackwell Publishing Ltd (Blackwell Publishing) an exclusive licence to publish the above Article on behalf of the British Ecological Society including the abstract in printed and electronic form, in all languages, and to administer subsidiary rights agreements with third parties for the full period of copyright and all renewals, extensions, revisions and revivals. The Article is deemed to include all material submitted for publication with the exception of Letters, and includes the text, figures, tables, author contact details and all supplementary material accompanying the Article.

Please read this form carefully, sign at the bottom (if your employer owns copyright in your work, arrange for your employer to sign where marked), and return the ORIGINAL to the address below as quickly as possible. As author, *you remain the copyright owner of the Article*, unless copyright is owned by your employer. (US Federal Government authors please note: your Article is in the public domain.)

**Your Article will not be published unless an Exclusive Licence Form has been signed and received by Blackwell Publishing.**

**Please note:** You retain the following rights to re-use the Article, as long as you do not sell or reproduce the Article or any part of it for commercial purposes (i.e. for monetary gain on your own account or on that of a third party, or for indirect financial gain by a commercial entity). These rights apply without needing to seek permission from Blackwell Publishing.

- **Prior to acceptance:** We ask that as part of the publishing process you acknowledge that the Article has been submitted to the Journal and that the version you are using has not been subject to peer review. You will not prejudice acceptance if you use the unpublished Article, in form and content as submitted for publication in the Journal, in the following ways:
  - sharing print or electronic copies of the Article with colleagues;
  - posting an electronic version of the Article on your own personal website, on your employer's website/repository and on free public servers in your subject area.
- **After acceptance:** Provided that you give appropriate acknowledgement to the Journal, the British Ecological Society and Blackwell Publishing, you may continue to use the unreviewed version of the Article as originally submitted for publication in the Journal, as described above, but stating that it has been accepted for publication. In addition:
  - you may use all or part of the accepted version of the Article and abstract, without revision or modification, in personal compilations or other publications of your own work;
  - until the Article is published, you may use the accepted version of the Article within your employer's institution or company for educational or research purposes, including use in course packs;
- **After publication:**
  - immediately after publication you may replace the unreviewed version on your own personal website, on your employer's website/repository and on free public servers in your subject area, with the abstract only of the published article
  - Electronic versions of the abstract must include the following statement, adapted as necessary for your Article:  
Author Posting. © The Authors {Insert year of publication} The full text of this article is published in {insert journal name}, {insert volume, issue number and pages}. It is available online at <http://dx.doi.org/> {insert doi number}.  
**N.B. The full text of your Article will be made freely available 2 years after publication.**
  - You may also share the PDF of the article with colleagues and use it for educational or research purposes, as described above.

**Please note that you are not permitted to post the Blackwell Publishing PDF version of the Article online.**

All requests by third parties to re-use the Article in whole or in part will be handled by Blackwell Publishing. Any permission fees will be retained by the Journal. All requests to adapt substantial parts of the Article in another publication (including publication by Blackwell Publishing) will be subject to your approval (which is deemed to be given if we have not heard from you within 4 weeks of your approval being sought by us writing to you at your last notified address). Please address any queries to [rightsuk@wiley.com](mailto:rightsuk@wiley.com).

In signing this Agreement:
