

# PRENATAL DIAGNOSIS

Submission checklist • [www.prenataldiagnosisjournal.org](http://www.prenataldiagnosisjournal.org) • Updated May 2012

What?	Where?	How?	Check
<b>Originality</b>		Confirm manuscript contains original, unpublished work that is not being considered for publication elsewhere at the same time	<input type="checkbox"/>
<b>Suitability</b>		Ensure manuscript meets Prenatal Diagnosis' aims & scope <a href="http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1097-0223/homepage/ProductInformation.html">http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1097-0223/homepage/ProductInformation.html</a>	<input type="checkbox"/>
<b>Copyright</b>	Online submission	Authors are required to transfer copyright in their work to the publisher. The Copyright Transfer Agreement is electronic and forms part of the online submission process	<input type="checkbox"/>
<b>Title</b>	Manuscript (title page) & online submission	Concise and informative title not exceeding 500 characters Optimising titles for search engines— <a href="http://authorservices.wiley.com/bauthor/seo.asp">http://authorservices.wiley.com/bauthor/seo.asp</a>	<input type="checkbox"/>
<b>Short title</b>	Manuscript (title page)	Running head not exceeding 70 characters Not needed for correspondence items	<input type="checkbox"/>
<b>Authors</b>	Manuscript (title page) & online submission	Names (initials followed by surname), department, and institution of all authors Authorship credit should be based on 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3. Nobody who qualifies for authorship should be excluded	<input type="checkbox"/>
<b>Corresponding author</b>	Manuscript (title page) & online submission	Name, address, telephone number and email address	<input type="checkbox"/>
<b>Funding statement</b>	Manuscript (title page) & online submission	State sources of funding for the research and its publication, or for the publication, including a short description of involvement of the funder in study design, data collection, data analysis, manuscript preparation and/or publication decisions. If none, state "None"	<input type="checkbox"/>

[continued overleaf]

What?	Where?	How?	Check
<b>Disclosures</b>	Manuscript (title page) & online submission	Disclose all potential conflicts of interest, including all relevant financial interests (e.g., employment, significant share ownership, patent rights, consultancy, research funding) in any company or organisation that might benefit from the publication. If none, please state "None declared"	<input type="checkbox"/>
<b>What's known/what's new statements</b>	Manuscript (title page) & online submission	For review articles, original articles and research letters, please answer the following questions in 2 or 3 bulleted statements (not exceeding 70 words): What's already known about this topic?; What does this study add?	<input type="checkbox"/>
<b>Word, figure and table count</b>	Manuscript (title page) & online submission	Manuscript word count (excluding figure/table legends and references) as well as the number of figures and tables used must be indicated separately. Word count limits. Original articles and reviews: 3,500; research letters: 1,500	<input type="checkbox"/>
<b>Line numbering</b>	Manuscript	All manuscripts must have continuous line numbers in the margin to assist the reviewers Microsoft Word > Page Layout > Line Numbers	<input type="checkbox"/>
<b>Abstract</b>	Manuscript & online submission	Authors submitting original articles should note that structured abstracts are required (not exceeding 200 words). The structured abstract should adopt the format: Objectives, Methods, Results, Conclusions. Review articles require abstracts but they need not be structured. Research letters and correspondence items do not require abstracts Optimising abstracts for search engines— <a href="http://authorservices.wiley.com/bauthor/seo.asp">http://authorservices.wiley.com/bauthor/seo.asp</a>	<input type="checkbox"/>
<b>References</b>	Manuscript	References should be in Vancouver format and appear as consecutive, unbracketed superscript numbers in the text. Review articles are limited to 150 references and research letters are limited to 10 references Please refer to the author guidelines— <a href="http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1097-0223/homepage/ForAuthors.html">http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1097-0223/homepage/ForAuthors.html</a>	<input type="checkbox"/>
<b>Reviewers</b>	Online submission	We strongly encourage authors to supply the names of two preferred reviewers; this will facilitate the efficient and swift review of manuscripts	<input type="checkbox"/>
<b>Research ethics</b>	Online submission	Confirm that your study has been approved by relevant bodies (e.g., institutional review boards, research ethics committees) and that appropriate consent was obtained for studies involving human participants Prenatal Diagnosis is a member of the Committee on Publication ethics (COPE). As such, adherence to the submission criteria set out by COPE is considered essential for publication— <a href="http://publicationethics.org">http://publicationethics.org</a>	<input type="checkbox"/>
<b>Supplementary material</b>	Online submission	Prenatal Diagnosis encourages the submission of underlying datasets, appendices, video links, etc. as online-only "Supplementary material for review"	
<b>Online Open</b>	Post submission	Optional. Online Open is available to authors of articles who wish to make their article available to non-subscribers on publication, or whose funding agency requires grantees to archive the final version of their article. Authors wishing to make their paper open access will be required to complete the payment form <a href="https://authorservices.wiley.com/bauthor/onlineopen_order.asp">https://authorservices.wiley.com/bauthor/onlineopen_order.asp</a>
