THE INTERNATIONAL JOURNAL OF COSMETIC SCIENCE
PUBLICATION PRIZE.
The IJCS Publication Prize was instituted in 1969. It is awarded for the best scientific paper to be submitted for publication in the Society’s journal in each calendar year. Until 1978, this applied to those published in the British editions of the Journal of the Society of Cosmetic Chemists. Since 1979, it applies to those appearing in the International Journal of Cosmetic Science. The prize attracts an honorarium of £500.
