### Publication Charges

A publication charge of US\$ 625 (+VAT\*) is made for each article regardless of length. If your manuscript exceeds 16 printed pages there will be a publication charge of US\$ 1,250 for manuscripts with black and white figures, or US\$ 2,500 for manuscripts with colour figures. Manuscripts are accepted for publication on the understanding that authors will pay these publication charges. The editorial office will be able to help you estimate the length of your paper.

I hereby agree to meet the costs involved, as detailed above, in reproducing all of the pages of the above titled paper in Traffic.

Signed:..... Date: .....

### Colour Work Agreement

It is the policy of the journal that authors pay the cost of colour reproduction. A total charge of US\$ 625 (+VAT\*) is made for colour work per article.

I hereby agree to meet the costs involved in reproducing all colour work in my article as indicated above

Signed:..... Date: .....

I do not wish to use colour, and agree to publish in black and white (please tick box).

Please note payment will be due 30 days from date of invoice, which will be issued by Blackwell Publishing Ltd.

\*European Union legislation requires that UK Value Added Tax, currently at 17.5%, must be paid on publication charges and colour work charges regardless of the country of residence of the author/customer.
