New Blackwell Publishing Website Launched

We are delighted to announce the launch of our new, redesigned and comprehensive website. Information on books and journals in all our subject areas including science, medicine, social science and humanities is provided. Please take a look at: <http://www.blackwellpublishing.com>

You can also download the pdf for Blackwell Publishing's **2003 Journals Price List** by going straight to the following link: <http://www.blackwellpublishing.com/cservices/pricelist.pdf>

Journals Moving to Blackwell Publishing in 2003

Below is a listing of the journals confirmed as moving to Blackwell Publishing in 2003. Please contact your agent about transferring your subscriptions for these titles from the previous publishers. The majority of these journals will be added to **Blackwell Synergy** over the next year – we will announce when they go online in future issues of this Newsletter.

Journals no longer available from Blackwell Publishing

The following journals will no longer be available from Blackwell Publishing in 2003. This is due to the society's decision to move to another publisher, or because we have decided to cease publication. Please contact your subscription agent regarding moving your subscription to the new publisher.

If you have had online access to any of these journals you will continue to be entitled to access the volumes that you subscribed to. We will be working with the new publishers to ensure a smooth transition in access. Please contact your subscription agent or Blackwell Publishing representative if you have any further queries about these titles.

Information about our 2003 Consortia Collections

Blackwell Publishing offers a one-year deal for consortia wishing to access our online journals collection. This represents the best value for money - enabling libraries to access over 620 of the most highly cited, peer-reviewed journals published on behalf of scholarly societies. The complete collection is ideal for multidisciplinary universities wishing to maximize online journals access for a fraction of the price whilst maintaining their print holdings or by transferring their print holdings into online-only subscriptions.

The collections available in 2003 include:

- **Blackwell Publishing Full Collection** (including the STM and HSS Collections)
 - 624 journals
- **Blackwell Publishing Science, Technology and Medicine Collection** (STM Collection)
 - 333 journals
- **Blackwell Publishing Humanities and Social Science Collection** (HSS Collection)
 - 291 journals

For more information on these purchasing options, please contact your nearest representative:

UK, Africa: Nancy Gerry, nancy.gerry@blacksci.co.uk

S. Europe, N. Europe: Paul Calow, paul.calow@blacksci.co.uk

Germany, Austria, E. Europe, M. East: Reinhard Schülke, reinhard.schuelke@blackwell.de

The Americas: Jason Miller, jmill@blacksci.com

Australia, NZ: Sarah Blatchford, sarah.blatchford@blackwellpublishingasia.com

Asia: Katie Julian, katie.julian@blackwellpublishingasia.com

Free Access to the latest issue of *Genes to Cells*

We are pleased to announce a pilot scheme that will ensure the latest issue of *Genes to Cells* is available free to all users until the end of this year. Be sure to inform your Biology Departments!

Go and visit *Genes to Cells* - the October Issue is now free!
