Subject Index

- abnormal conditions focus 51
absenteeism 329
accessibility
 in advertising 323
 of attitudes 120–121, 127
 of categories 300–301
 chronically accessible concepts 70
 defined 70, 345
 temporary 70
accountability: defined 79, 345
achievement motivation 14
action tendencies 84
activation, spreading 70
actor–observer difference 59–61, 64
 defined 59, 345
actual group performance 267
additivity hypothesis: persuasion
 144–146
adjustment, social: and attitudes 120
advertising 139, 155, 317, 343
 as applied persuasion 146–149
 comparative 326–327, 346
 dual-process perspective 148–149,
 321–322, 324–327, 343
 models of effectiveness 321–324
 subliminal 147–148
advocacy role 276
affect, shared: in groups 257
affect-as-information model: prosocial
 behaviour 186
affective aggression *see* hostile aggression
affective commitment 343
 defined 330, 345
affective component of attitude 133
 defined 330, 345
affiliation 198–200, 213
 defined 198, 345
 lack of 200
agentic shift 241
aggression 157–158
 defined 158, 345
 displaced 161, 347
 dispositional 166, 174
 geographic regions approach 167
 heat hypothesis 167–168, 174
 hostile 158, 174, 349
 instrumental 158, 174, 349
 measurement of 158–159
 prevention and interventions 172–174,
 318
 relational 166, 172
 sexual 171, 174, 352
 as social problem 170–172
 in social psychology and sociology 8–9
 theories 159–164
 variables affecting 165–170
Aggression Questionnaire 165
 defined 159, 345
aggressive cues 173
 defined 161, 345
aggressive scripts 163–164
 defined 164, 345
Ajzen, Icek: biography 132
alcohol: and aggression 166–167, 174
Allport, Floyd Henry: biography 10
Allport, Gordon Willard: biography 309
altruism 178, 194
 defined 179, 345
 empathy-based 188–191, 194
 reciprocal 185, 351
altruism factor: at work 329
altruistically motivated behaviour 180,
 188–191, 194
 research close-up 190
ambiguity: in research questions 37
ambivalence, cognitive-affective 118–119
 see also attitudinal ambivalence
amygdala 17–18, 128, 304
analysis of non-common effects 47–48
 defined 48, 345
anger: and aggression 162
anger management training 173–174
 defined 173, 345
antecedent conditions 22
anxiety, intergroup 312, 313, 314
anxiety reduction: and personal relationships
 198–199, 213
apathy 180
applied research, social psychology 15, 18,
 317–344
 early 9–10
approach: in coping with stress 341
archival records: aggression 159, 174
archival research 23–24
argument-based approaches: in advertising
 149
argument quality: manipulation of 141
arguments, persuasive: in group polarization
 236
arousal: misattribution of 54–55,
 206–207
Asch, Solomon E.: biography 228
Asch paradigm 228
assimilation 300
attachment
 in identification 302
 workplace 330
attachment style 207–208, 213
attachment theory 200, 207–208, 213
 defined 199, 345
attention, direction of: in attribution theory
 59–61
attention conflict 219
attentional hypothesis 166–167
attenuation hypothesis: persuasion
 144–145, 146
attitude–behaviour relation 129–133
 defined 129, 345
 models 131–133
 research close-up 125
attitude change 15
 and advertising 321–322
 Hovland 11–12
attitude-congruent behaviour 152
attitude function 124
 defined 120, 345
attitudes 8
 towards the advertisement 343; defined
 324, 345
 affective component of 115, 133, 345
 cognitive component of 116, 133, 345
 content of 114–117, 124
 defined 113, 114, 345
 early research 10–11
 instrumental 120, 121–123
 measurement of 124–129
 negative 113, 114, 133
 and personal relationships 213
 positive 113, 114, 133
 prejudice as 304–306, 314
 reasons for 120–123
 similarity of: in personal relationships
 202–203; in romantic love 208
 structure of 117–120, 124
 symbolic 120
 tripartite model of 303
 see also behavioural component of attitude;
 incentives; job attitudes; persuasion
attitudinal ambivalence 117–118
 defined 118, 345
 research close-up 118–119
attraction
 defined 201, 345
 and friendship 201–205
 romantic 205–210
attraction paradigm 202

- attractiveness, physical 213
 gender difference in preference for
 208–209
 and jealousy 210
 in personal relationships 203
 in romantic love 208
- attribution: covariation model of 14
- attribution theory 46–55
 Heider 13–14, 18
 research close-up 59–60
- attributional bias 55–63, 64
 defined 55, 345
see also hostile attribution bias
- attributions
 distress-maintaining 211
 relationship-maintaining 211
- augmenting principle: defined 50, 345
- authoritarian personality 4, 8, 14, 314
 defined 293, 345
- authoritarianism 293
- authority *see* obedience to authority
- autokinetic effect 220–221
 defined 220, 345
 research close-up 222–223
- automatic arousal 54–55
- automatic processes 38, 69–76, 82, 85
 criteria 69
 defined 68, 345
- autonomy, workplace 332, 343
- avoidance: in coping with stress 341
- balance theory 13
- Bales, Robert F.: biography 255
- Bargh, John: biography 75
- Batson, C. Daniel: biography 191
- behaviour
 counterattitudinal 150–153, 346
 counterproductive work 329, 346
 and health 336–339
 impact of stereotypes on 5, 74–76, 83–84
 intergroup 17, 296–297, 299–308, 349
 leaders 282, 288, 350
 in social psychology and sociology 8–9,
 10
 spontaneous 132
- behaviour change, health: strategies
 338–339
- behavioural component of attitude 15–16,
 116–117, 129–131, 152
 defined 116, 345
 models of 131–133
 research close-up 125
- behavioural style: minorities 230
- beliefs: and attitude 124
- benevolence 193
- Berkowitz, Leonard: biography 162
- Berscheid, Ellen S.: biography 206
- bias
 attributional 55–63, 64, 345
 correspondence 48, 55–59, 64, 346
 discussion 276
 evaluation 276
 false consensus 57, 348
 hostile attribution 165–166, 168, 174
 in schemas 71–72
 self-enhancing 61
 self-serving 61–62, 64, 352
 bias hypothesis: persuasion 144–145, 146
 binding factors: role in obedience to
 authority 241
 biological approaches: to aggression
 159–161, 174
 bookkeeping model: of stereotype change
 84
 Bowlby, John: biography 199
 boys
 aggression 169
 bullying 172
see also children
 brainstorming
 coordination loss in 269–271
 defined 268, 345
 individual capacity gains and losses in
 273
 brand extensions 325–326, 343
 defined 325, 345
 research close-up 325–326
 brand names 325
 break-up of personal relationships 213
 buffer effect of social support 199–200
 defined 199, 345
 bullying 174
 defined 172, 345
 bystander passivity 194, 305
 causes of 178, 180–184
 research close-up 181–182
- Campbell, Donald T.: biography 24
- case studies: one-shot 31, 350
- categorization 68, 299
 in advertising 325
 defined 70, 345
 mere 296–297
 pervasive nature of 69–71
see also self-categorization; social
 categorization
- category fit 301
- category information 43
- category salience 300–301
 defined 300, 345
- catharsis: defined 173, 345
- causal power: defined 51, 345
- causal schema 50, 345
 defined 50, 345
- causation 29
- ceiling effects 278
- central route to persuasion 139, 140, 144,
 345
 defined 140, 345
- central traits 64
 defined 44, 345
- Chaiken, Shelly: biography 139
- chains of events 34–35
- characteristics: job 331–332, 343
- charismatic leaders
 defined 283, 353
 dimensions of 284
- charity: donations to 177, 192
- cheating 185
- children
 and aggression 165–166
see also boys; girls
 choice: in correspondent inference theory
 48
- chronically accessible concepts 70
- classic social psychology studies 3–5
- classical conditioning 139, 155, 343
 in advertising 148, 343
 attitudes 115
 and personal relationships 202–203
- closure, need for: and attitudes 121
- cognition
 need for 141–142, 350
 shared 257
 social 6, 17, 67–86
- cognitions
 consonant 151
 dissonant 151
- cognitive algebra: defined 45, 345
- cognitive appraisal: defined 340, 345
- cognitive component of attitude 133
 defined 116, 345
- cognitive effect: self-serving biases 61–62
- cognitive neo-associationist model 162–163
 defined 162, 345
- cognitive perspective: groups 246–247, 262
- cognitive response model of persuasion
 137–138, 155
 defined 137, 345–346
- cognitive restriction: defined 273, 346
- cognitive stimulation: defined 273, 346
- cohesion 262
 defined 257, 346
 research close-up 258
 task and interpersonal 257
- cohesive group 22
- commitment 249–250
 affective 330, 343, 345
 defined 212, 249, 346
 groups 262
 in personal relationships 205, 212–213
 workplace 330
- common ingroup identity: defined 311, 346
- common ingroup identity model of
 intergroup contact 310
- common method effect 282
- common source effect 282

- communal relationships 191, 194
communication: in geographically dispersed groups 287
comparative advertising 326–327
defined 326, 346
comparison, social *see* social comparison
comparison process: in social influence 231
comparisons, self–other 98
compassion 179
compatibility: in research 15–16
compensation *see* social compensation
competence
cultural expectations about 259
and prosocial behaviour 183–184, 194
social 298
as stereotype content 306
competition *see* social competition
complexity: integrative 23–24
compliance 242
defined 226, 346
rewards and costs 227
compliance factor: at work 329
composite model of attitude–behaviour relations 133
computers
use in research 38
see also Internet experiments
concern, empathic 189
concurrency-seeking tendency 22
confederates: defined 29, 346
confidence: and persuasion 146
configural model: defined 45, 346
conflict, intergroup: reduction of 309–314
research close-up 312
conflict approaches
in majority–minority influence 231–233
to social influence 242
Conflict Tactics Scales 170–171
defined 170, 346
conflict theory, realistic 4, 295–296
conformity *see* majority influence
confounding 39
defined 33, 346
conscious processes 68
consciousness, stream of 91
consensus information 50–51
defined 49, 346
consent: in groups 276
consistency 227, 242
defined 230, 346
in minority influence 230
stereotype-consistent and stereotype-inconsistent behaviour 73–74
consistency information 50–51
defined 49, 346
consistency theory: Heider 13, 18
construct 29
defined 22, 346
construct validity 39
defined 33, 346
contact
direct 313
indirect 313
intergroup 314; model of 310–313
need for 198–200
negative contact conditions 309–310
and prejudice reduction 313–314
contact hypothesis 309–310, 314
defined 309, 346
contagion, emotional 199, 347
context
in attitude–behaviour relations 129–130
of research 320–321
contextual performance 328–329
defined 328, 346
and group identification 332
contingency approaches
defined 282, 346
to leadership 280, 282–283
contingent reward leadership *see* transactional leadership
continuum model of impression formation: defined 79, 346
contrast: in categorization 300
control, internal locus of 187
control groups 5–6
defined 31, 346
post-test only control group design 31, 39, 351
controlled processes 69, 82, 85
defined 68, 346
convergent validity: defined 38, 346
conversion 232
defined 231, 346
conversion model: of stereotype change 84
cooperation
intergroup 296
at work 329
coordination losses 269–271, 288
defined 269, 346
research close-up 270
coping
defined 340, 346
problem-focused and emotion-focused 340, 341
strategies 340–341, 343
coping appraisal: health 336–337
coping resources: defined 340, 346
correspondence: in attitudinal and behavioural measures 129–130
correspondence bias 55–58, 64
defined 48, 346
variability in 58–59
correspondent inference theory 14, 47–48, 64
defined 47, 346
cortisol: and aggression 161
cost: in helping behaviour 26
counterattitudinal behaviour 150–153
defined 150, 346
counterproductive work behaviour: defined 329, 346
covariation: and causal power 51
covariation information: access to 50
covariation theory 48–51, 64
defined 49, 346
cover stories: defined 33, 346
creativity, social 299
crime statistics: aggression 159, 166, 170–171, 174
critical life events
defined 340, 346
and stress 340
cross-cutting social categories 310
cross-sectional studies
leadership behaviour 282
prejudice 309
culture
collectivistic: in attribution theory 58–9;
and conformity 229
expectations about competence 259
individualistic: and conformity 229
and prosocial behaviour 192–193
Darley, John M.: biography 182
data, archival 23
data collection techniques 35–39
debriefing 39
defined 31, 346
decategorization: defined 310, 346
decategorization model of intergroup contact 310
deception: in research 6, 30–31
decision-making, group
effect of leadership style 286–287
and synchronization 277
decisional balance: in transtheoretical model 338
deduction 300
defence motivation 146
deindividuation 107, 224–225
defined 224, 347
demand characteristics 15, 16, 39
defined 33, 347
dependent variable 39, 320
defined 30, 347
depersonalization: defined 107, 347
depression 61, 64
and attribution theory 52–54
therapies for 54
depressive realism: defined 53–54, 347
derogation, outgroup 308
design
experimental 31–32, 39
group 285–286
task 285–286

- desirability, social 33, 39, 352
- development, group 254–255, 262, 287
- deviance 220
group 253, 256–257
at work 329
- Devine, Patricia: biography 70
- diffusion of responsibility 181, 182–184, 305
defined 182, 347
- disadvantaged groups: social psychology of 104–105
- discounting principle: defined 50, 347
- discourse: attributions as 63, 64
- discourse analysis 15, 39
defined 28–29, 347
- discrimination *see* social discrimination
- discussion bias 276
- diseases: and stress 339–340
- disobedience 241–243
- displaced aggression: defined 161, 347
- displacement 293
- dispositional aggression 166, 174
- dispositions
in attribution theory 47, 58–59
see also traits
- dissent: in groups 233, 276
- dissimilarity: in comparative advertising 327
- dissociation model: defined 81, 347
- dissonance–attraction hierarchy 322–323
- dissonance theory 14, 151–152, 153
defined 151, 347
and group initiation 250, 262
and prejudice 313
- distinctiveness
optimal 306–307
positive 298, 306, 308, 314, 351
- distinctiveness information 50–51
defined 49, 347
- distraction
and attitude change 138
defined 138, 347
and persuasion 141, 155
- distress, personal 189, 191
- distributive justice 332–333, 335
defined 332, 347
- divergence: groups 252–253
- divorce: consequences of 213
- dominance
gender difference in preference for 209
and jealousy 210
personal relationships 203
see also social dominance orientation
- dominant responses 218
- door-in-the-face technique 226–227, 242
defined 226, 347
- dual mediation model 324
- dual-process theories of persuasion 138–146, 155, 317
in advertising 148–149, 321–322, 324–327, 343
defined 139, 347
see also automatic processes; controlled processes
- Eagly, Alice: biography 114
- economic considerations: in romantic love 209
- effectiveness
advertising 321–324
leadership 280, 288, 350
- egalitarian responses
chronic 83
replacing stereotypes with 81
- egalitarianism: chronic and non-chronic 78
- ego: pure 90
- ego-defensive function of attitude 120
- ego depletion: defined 100, 347
- egoistically motivated behaviour 180, 188–191, 194
research close-up 190
- elaboration 141
consequences of 144
defined 140, 347
- elaboration likelihood model (ELM) 139–144, 155, 231–232, 343
in advertising 324, 326–327
defined 139, 347
and fear appeals 338–339
- email: and social perception 45–46
- embarrassment, fear of 183, 194, 348
- embeddedness, cultural 34, 39
- emotion 64
affective component of attitude 115
prejudice as 304–306, 314
and prosocial behaviour 185–186
shared 257, 262
theories of 54–55
towards others 291
- emotion-focused coping 341
defined 340, 347
- emotional appeals: in advertising 149
- emotional contagion: defined 199, 347
- empathy
and aggression 166
defined 187, 347
measurements 187
situational 191
- empathy–altruism hypothesis 189–191, 194
- employment relationship 332–335
- encoding 71–72
defined 71, 347
- energy-saving devices: attitudes as 120
- enquiry, post-experimental 33, 351
- entitativity 247–248, 262
defined 247, 347
- entrapment 241
- entry: to groups 250
- environment
and aggression 160–161
and personal relationships 201–202
and prosocial behaviour 184–185
and self and identity 91
and stereotype activation 83–84
- epidemiological studies: defined 200, 347
- equity theory 204–205, 209, 211–212, 213
and compliance 227, 242
defined 204, 347
in procedural justice 335
- ethics
and obedience to authority 241
in research 30–31
social influence 242
- ethnocentrism: defined 296, 347
- ethological perspective: on aggression 159–160
- eureka effect: defined 268, 347
- Europe
social psychology in 16–17, 18
use of term ‘identity’ 90
- European Association of Experimental Social Psychology (EAESP) 16–17, 18
- European Journal of Social Psychology* 16, 17
- European Review of Social Psychology* 16
- evaluation
as component of identification 302
intergroup 314
see also self-evaluation
- evaluation apprehension 218–219
defined 219, 347
and prosocial behaviour 183
- evaluation bias 276
- evaluative priming 127
- evolutionary social psychology 17
- evolutionary theory
defined 208, 347
of groups 246
and personal relationships 205, 207, 208–209, 210
of prosocial behaviour 184–185, 194
- exchange fiction 191–192
defined 192, 347
- exchange relationships 191, 194
- exchange theory *see* social exchange theory
- excitation transfer: defined 163, 347
- exclusion, social 256, 262
effects of 253
- exit: from groups 253
- expectancy 116
and stereotypes 73–74, 85
see also experimenter expectancy effect
- expectancy-value approach to attitudes 116
- expectation 219
in attribution theory 57
in social perception 51
- expectation states theory 262
defined 259, 347

- experimental groups 6
 defined 31, 347
 see also control groups
 experimental scenario 39
 defined 29, 348
 experimenter expectancy effect 15, 16, 39
 defined 33, 348
 experiments 25–29, 320
 aggression 158–159, 174
 defined 27, 347
 design 31–32
 factorial 31–32, 248
 features of 29–31
 field 6, 26, 27, 348
 first social psychological 9–10, 18
 heat hypothesis 168

 glory, basking in reflected 101
 goal dependent: defined 78, 348
 goal setting: and workplace stress 342
- goals 4
 group: importance of 272–273
 and self-regulation 99
 and stereotype activation 83–84
 superordinate 296, 353
 group composition 274–276, 288
 defined 274, 348
 group identification 103, 299, 314
 in workplace 332
 group leadership 285–287
 defined 285, 348
 group learning 277–279, 287, 288
 defined 277, 348
 research close-up 277–278
 group-level learning (G-G transfer) 287
 defined 279, 348
 group membership: and identity 90
 group norms 8, 221, 250, 255–257
 changing perceptions of 319
 early research 11
 research close-up 222–223
 in self-categorization approach 236
 violation of 303
 group performance 288
 actual and potential 267
 compared with individual performance
 265–266
 and group tasks 267–268
 management 274–280
 process losses and gains 269–274
 group performance management: defined
 274, 348
 group polarization 14–15, 234–237, 242
 defined 234, 348
 in juries 235
 group potential 267–268
 defined 267, 351
 group size: and conformity 228–229
 group socialization
 defined 249, 348
 model 249, 250–253
 group synchronization 276–277, 288
 defined 276, 348
 and leadership 286–287
 group task type 267–268
 defined 267, 348
 group-to-individual (G-I) transfer 287, 348
 defined 279, 348
 group-to-individual-in-group (G-IG) transfer
 287, 348
 defined 279, 348
 groups 8, 245–246
 conformity 229–230
 control 5–6, 31, 346
 costs and benefits 247, 249–250, 277
 defined 246
 design 285–286
 development and structure 253–259
 dissent in 233

- entry and initiation 250
 experimental 6, 31, 348
 geographically dispersed 287
 individuals in 249–253
 intergroup relations 260–261
 leaderless 285, 350

 132
- Implicit Association Test (IAT) 127–128,
 304
- implicit measures: defined 38, 349
- implicit measures of attitude 124–125,
 127–128, 133
 defined 124, 348
- implicit modelling of ‘nothing has happened’:
 defined 183, 349
- implicit personality theories: defined 45,
 349
- impression formation 44–46, 79–80
 continuum model of 79, 346
- impression motivation 146
- incentive structure, modification of: health
 338, 339, 343
- incentives 135, 155
 for attitude change 150–153
 limitations of 154
 paradoxical effects of 153–154
- inclusive fitness: defined 185, 349
- inconsistency resolution 73–74
 defined 74, 349
- independent self: defined 109, 349
- independent variable 39, 320
 defined 30, 349
 effectiveness of 30
- individual capacity gains and losses 288
 defined 273, 349
- individual contributions: continuous visibility
 of 277
- individual differences: in aggression
 165–166
- individual-to-individual (I-I) transfer 287
 defined 279, 349
- individualism
 in attribution theory 58–59, 64
 methodological 8
- individualistic approach: to prosocial
 behaviour 185–191
- individuals
 in groups 249–253
 in social psychology 6
- individuated impression formation 85
- individuating information: defined 79, 349
- induction 300
- influence, social *see* social influence
- information
 shared 274, 276
 in social perception 50
 unshared 275, 276
- information management: and leadership
 286
- information processing model of persuasion
 136–137, 155
- informational approach 236, 237
- informational influence 225–226
 defined 225, 349
- informational justice 333–334
- ingroup favouritism 308
 defined 297, 349
- ingroups
 group polarization 236–237
 minorities as: influence of 234
- inhibition: of prosocial behaviour 182–184
- initiation: defined 250, 349
- innovation *see* minority influence
- instrumental aggression 174
 defined 158, 349
- integrated information response model
 323–324
- intention: and behaviour 131
- intentional operating process (IOP) 81
- intentional processes 68
- interaction, social: and self and identity 91
- interaction effect: defined 32, 349
- interaction process analysis (IPA) 36–37,
 254–255, 262
 defined 36, 349
 group status and roles 257–259
- interactional justice 333–335

 and group perceptions 261
 and identity 90
 and salience 260–261
 social identity theory 103–105
- internal validity 32–33, 39
 defined 32, 349
- Internet experiments 39
 defined 34, 349
 and personal relationships 201–202
- interpersonal approach: to prosocial
 behaviour 191–192
- interpersonal cohesion 262
 defined 257, 349
- interpersonal guilt
 defined 186, 349
 and prosocial behaviour 186, 194
- interpersonal justice 333–334
- interpersonal styles: complementarity in 203
- interventions: aggression 172–174
- interviews, research 37
 semi-structured 37
- intimacy 205, 211, 213
 defined 205, 349
- intimacy groups 247–248, 262
- intimate partner violence 170–171, 174
 defined 170, 349
- intrinsic motivation: defined 154, 349
- introspection 94–95
 defined 94, 349
- investment model: defined 212, 349
- ironic monitoring process (IMP) 81
- jealousy: research close-up 210
- job attitudes 318, 328, 330–331, 343
 defined 330, 349
 determinants of 331–336
- job characteristics 331–332
- job characteristics model 331–332, 343
- job satisfaction 343
 defined 330, 349
- Jonestown 256
- Judge, Timothy A.: biography 330
- judgements: of others 291
- juries: everyday social psychology 235
- just-world belief 187–188
 defined 187, 349
 measurements 187
- justice
 distributive 332–333, 335, 347
 informational 333–334
 interactional 333–335
- interpersonal 333–334
 organizational 332–333, 342
 procedural 333–335, 343, 351
- Kelley, Harold: biography 49
- kin selection: defined 185, 349
- knowledge
 category-based 300
 and social categorization 299–300
 in social perception 50–51
 and stereotypes 72, 85
see also self-knowledge
- knowledge function of attitude 120
- Köhler effect: defined 272, 349
- laboratory experiments 6
- laissez-faire leadership 285, 288
 defined 283, 349
- Latané, Bibb: biography 178
- lateness, workplace 329
- laws
 and attitude change 150, 153, 155
 changing health behaviour 339
 social psychology 35, 39
see also sanctions, legal
- Leader Behaviour Description Questionnaire
 (LBDQ) 282
- leader traits 281–282, 288
 defined 281, 349
- leaderless groups: defined 285, 349
- leadership
 autocratic 285, 286
 charismatic 283, 284, 353
 defined 280, 349
 democratic 285
 directive style 286–287
 group 285–287, 348
 heroic 280–282, 285
 laissez-faire 283, 285, 288, 349
 participative style 286–287
 shared 280, 285, 288, 352
 study of 280–285
 transactional 280, 283, 284, 288, 353
 transformational 280, 283–284, 288, 353
 and workplace stress 342, 343
- leadership behaviour 288
 defined 282, 350
- leadership effectiveness 288
 defined 280, 350
- leadership style 14
 defined 285, 350
 effect on decision-making 286–287
- learned helplessness theory 52–54, 61, 64
 defined 52, 350
- learning
 and aggression 163, 168
 group 277–279, 287, 288, 348
 and social influence 219
- learning hierarchy 322–323
- Lewin, Kurt: biography 12
- lexical decision task 70–71, 77–78, 83
- life events
 critical 340, 346
 minor: and stress 340
- Life Orientation Test (LOT) 341
- Likert scales 126
- loafing *see* social loafing
- locomotion, group 225, 229
- loneliness 213
 defined 200, 350
- longevity: and health behaviours 336
- longitudinal studies: prejudice 309
- love
 passionate 205–207, 351
 romantic 205–207, 213; individual
 differences in 207–10
 triangular theory of 205–206
- lowballing 242
 defined 227, 350
- main effect: defined 32, 350
- maintenance stage: groups 252
- majorities
 coordination losses 271
 and group homogeneity 303
 and social influence 227–234
- majority influence 242
 defined 228, 350
 goals 230
 group 256–257
 in juries 235
 reasons for 229–230
 research close-up 232–233
 theoretical approaches 231–234
- manifest profile 275
- manipulation checks 39
 defined 30, 350
- Markus, Hazel R.: biography 94
- marriage: homogamy 202
- matching principle 209
- McGuire, William J.: biography 137
- 'Me' and 'I' 90–91
- measures of attitude
 explicit 124–127, 128, 133
 implicit 124–125, 127–128, 133
- media violence 163, 165
- media violence–aggression link 174
 defined 168, 350
 research close-up 169
- mediating process 22
- mediating variables: defined 35, 350
- membership, group 249–253, 262
- memory
 declarative 96
 episodic 96; loss of 96
 procedural 96
 and schema 72–74
 semantic 96
 and sense of self 95–96
 transactive 257, 262, 279, 287, 353

- mere categorization 296–297
- mere exposure effect 201, 343
defined 115, 350
- mere presence and drive theory 218
- meta-analysis 15
defined 35, 350
- meta-contrast principle 301
- methodological individualism 8
- methods and methodology 5–6, 20–40
criticism of 15
- Milgram, Stanley: biography 239
- Miller, Neal E.: biography 161
- mind guards 22
- minimal group paradigm 17, 298
defined 297, 350
- minor life events: and stress 340
- minorities
and coordination losses 271
and group homogeneity 303
research close-up 104–105
and social influence 227–234
social psychology of 104–105
- minority influence 230–231, 242, 276
defined 228, 350
in juries 235
research close-up 232–233
research on 17
theoretical approaches 231–234
- mobbing *see* bullying
- mobility, social 299
- MODE model 132–133
defined 132, 350
- modelling 166
defined 163, 350
of ‘nothing has happened’ 183, 349
passive behaviour 194
- moderators
personality traits as 8
of stress–health relationship 340–342
- modification of the incentive structure 339, 343
defined 338, 350
- moods
and persuasion 143
and prosocial behaviour 185–186, 189, 194
- mortality: and personal relationships 200
- Moscovici, Serge: biography 230
- mothers: and aggression 165–166
- motivation
defence 146
impression 146
intergroup 306–308
intrinsic 154, 349
processing 140, 141–142, 155
and stereotype activation 83–84
for voluntary work 188
- motivation losses and gains 271–273, 288
defined 271, 350
and group learning 279
- motivational effect: self-serving biases 61–62
- motivational processing 308
- multicomponent model of attitude 114–117
defined 114, 350
- multiple sufficient causes schema 50
- mutual distinctiveness model 310
defined 311, 350
see also contact hypothesis
- myths, legitimizing 294
- naïve scientist model 62–63, 64
defined 62, 350
- need for cognition 141–142
defined 141, 350
scale of 142
- need to belong: defined 246, 350
- negative-state-relief hypothesis 189
defined 186, 350
- negotiating style: minorities 230–231
- negotiation focus 276
- neuroscience, social 17–18
- Newcomb, Theodore: biography 11
- newcomer influence 250
research close-up 251
- nominal group: defined 271, 350
- non-common effects, analysis of 47–48, 345
- non-dominant responses 218
- non-systematic processing 231–232
- normative explanation for group polarization 236, 237
- normative influence 225–226
defined 225
- norms
arbitrary 223
defined 220, 350
descriptive 220, 223, 242
fairness 193
formation and transmission 220–223
functions 220
injunctive 220, 242
personal 192–193, 221, 351
of reciprocity: defined 185, 350
and self-awareness 97
social: impact of 220–225; and prejudice 293, 294
of social responsibility 192–193: defined 192, 350
subjective 131
violation 220
see also group norms
- number effect 181–182
defined 181–182, 350
- obedience to authority 14, 238–242
defined 238, 350
reasons for 240–241
- object appraisal function: attitudes 120–121
- object world: in natural sciences 35
- objectives: in research questions 37
- objects, attitude 114, 133
- observation
of aggression 158–159
participant 36, 351
- observational measures 36–37, 39
- one-dimensional perspective 117–118
defined 117, 350
- one-shot case studies: defined 31, 350
- oneness: and prosocial behaviour 189–191
- operationalization: defined 23, 350
- optimism 343
in coping with stress 341–342
- organizational behaviour 317–318
- organizational citizenship behaviour (OCB) 329
- organizational justice 332–333
and stress 342
- other, the 291, 295
- outcome dependency 79–80
defined 79, 350
- outgroups
group polarization 236–237
minorities as: influence of 234
- over-justification effect: defined 154, 350
- pain: and aggression 162
- participant observation: defined 36, 351
- participants
students as 34
volunteers as 33–34
- participation, shared: research close-up 207
- partner violence 170–171, 174, 349
- passionate love 205–207, 213
defined 206, 351
- passivity
models of 183
see also bystander passivity
- path-goal theory 283
- peer nominations: defined 159, 351
- peer pressure: role in obedience to authority 240
- perceived behavioural control 132–133
- perceived organizational support (POS):
defined 335, 351
- perceiver’s readiness 300–301
- perception
group 261
intergroup 303
see also social perception
- performance
contextual 328–329, 332, 346
individual 288
task 328, 330, 353
see also group performance
- peripheral route to persuasion 139
defined 140, 351
- peripheral traits: defined 44, 351
- personal identity: defined 105, 351
- personal norms 192–193, 221
defined 193, 351

- personality
 authoritarian 293
 prejudiced 293–295
 prosocial 187–188, 194, 351
 and relationship break-up 213
 personality differences: in attitude–behaviour relations 130–131
 personality psychology
 attribution theory 55–57

 psychological processes in reduction of 313–314
 research close-up 305
 varieties of 303–306
 prevention: aggression 172–174
 prevention focus: in self-regulation 99
 primacy effect: defined 44, 351
 priming 5, 304
 defined 70, 351
 evaluative 127
 subliminal 115, 147–148
 principles, social psychology: and experiments 35
 probe reaction task (PRT) 80
 problem-focused coping 341
 defined 340, 351
 problem-solving model, group 238
 problems, social: applying social psychology to 318–320
 procedural justice 333–335, 343
 defined 333, 351
 process gains 288
 types of 269–274
 ways to maximize 274–280
 process losses 288
 types of 269–274
 ways to minimize 274–280
 processing *see* heuristic processing; systematic processing
 processing ability 140, 141
 processing motivation 140, 141–142
 production blocking 273
 defined 271, 351
 promotion focus
 and prevention focus 308
 in self-regulation 99
 propinquity
 defined 201, 351
 and personal relationships 201–202, 213
 in romantic love 208
 prosocial behaviour 177–178
 costs and benefits 178, 184, 194
 defined 178–180, 351
 lack of 178, 180–184
 model of 193
 theories of 184–193, 194
 see also helping
 prosocial personality 194
 defined 187–188, 351
 tests of 187
 protection motivation theory (PMT) 336–337, 343
 defined 336, 351
 psychological approaches
 to aggression 160, 161–164, 174
 to prosocial behaviour 184, 185–193, 194
 psychology: compared with social psychology 7–8
 punishment: for aggression 173, 174
 qualitative approaches: research 28–29, 39
 quantitative approaches: research 24–28, 39
 quasi-experiment 25–28, 39, 320
 defined 25, 351
 questionnaires 37
 quota sample: defined 25, 351
 racism
 ambivalent 303–304
 aversive 303–304, 305
 modern 303–304
 random allocation: defined 27, 351
 random assignment, barriers to use of 320
 rape 171
 reactance theory 153–154
 defined 153, 351
 and prosocial behaviour 194
 reactivity: defined 36, 351
 real world: social psychology in 318
 realistic conflict theory 295–296
 reality, social
 and group norms 256
 and groups 225, 229
 and social perception 64
 reappraisal, ingroup 313
 reasoned action, theory of 132
 defined 131, 353
 rebound effect 5, 83
 defined 81, 351
 recategorization 311
 reception: in persuasion 136–137
 reciprocal altruism: defined 185, 351
 reciprocity 227, 242
 defined 204, 351
 in friendships 204–205
 norms of 185, 350
 in personal relationships 211, 213
 in prosocial behaviour 191
 workplace 335
 referent informational influence 236
 defined 234, 351
 reinforcement, direct: and aggression 163
 relational aggression 172
 defined 166
 relationships
 employment 332–335
 exchange and communal 191, 194
 personal 197–214; break-ups 213;
 commitment in 212–213; need for
 198–200; research close-up 207;
 satisfaction in 211–212
 see also friendship; love, romantic
 relevance, personal: and persuasion 141
 reliability 15
 ambiguity as threat to 37
 of attitude measures 128
 defined 36, 351
 remembrance stage: groups 253
 repetition: and persuasion 141, 155
 reports, aggression 159, 174
 representativeness
 in Internet experiments 34
 in research 25
 research
 relation to applied social psychology
 318–320

defined 272, 352

- social competition 299
 defined 272, 352
 intergroup 296
- social constructionism 15
- social desirability 39
 defined 33, 352
- social discrimination
 defined 292, 352
 explanations of 293–299
 reverse 292
see also intergroup behaviour; intergroup conflict
- social dominance orientation 293–294
 defined 293, 352
- Social Dominance Orientation (SDO) Scale 294
- social dominance theory 293, 314
- social exchange theory 8, 247, 335
 defined 204, 352
- social facilitation 9, 218–220, 225
 defined 218, 352
- social facilitation/inhibition (SFI) effects 219
- social identity 105, 298
 defined 104, 352
- social identity perspective 90
- social identity theory (SIT) 103–104, 297–299
 groups 247
 research close-up 104–105
 in workplace 332
- social influence 6–7
 defined 217, 353
 deliberate 217, 226–242
 early research 11
 incidental 217, 218–225, 242
 informational 229
 majority 242
 minority 17, 227–234
 normative 229
 reasons for 225–226
- social loafing 9, 279, 329
 defined 271, 353
 research close-up 270
- social perception 43–46
 research close-up 56–57
 and social reality 64
see also attribution theory
- social psychology
 applied 9–10, 15, 18, 317–344
 classic studies 3–5
 compared with other disciplines 6–9
 defined 5–6, 118
 in Europe 16–17
 evolutionary 17
 history: beginnings 9–10; crisis years 14–16; early years 10–11; expansion 11–14
- methodological differences between basic and applied 320–321
 at present 17–18
 relation of applied and basic research 318–320
see also methods and methodology; research
- social responsibility
 defined 192, 350
 measurement 187
 norms of 192–193
- Social Responsibility Scale 187
- social support 343
 buffer effect 199–200, 345
 and conformity 229
 in coping with stress 342
 defined 199, 353
 by leaders 342
 and relationship break-up 213
- socialization *see* group socialization
- socially desirable responses 126–127
 defined 126, 353
- sociobiological perspective: groups 246, 262
- socio-cognitive models of aggression 163–164
- socio-cultural factors: role in obedience to authority 241
- socio-emotional behaviour: defined 254, 353
- socio-emotional specialists 259
- sociology: compared with social psychology 8–9, 10
- speaking hierarchy: defined 258, 353
- spreading activation 70
- stability: of attitudes 124
- staffing level, groups 262
 defined 252, 353
- standards: and self-awareness 97
- status
 coordination losses 271
 defined 253, 353
 gender difference in preference for 209
 in groups 257–259, 262
 and personal relationships 213
- steam-boiler model 159–160
 defined 159, 353
- Steiner, Ivan D.: biography 267
- stereotype activation
 and behaviour 74–76, 83–84
 quashing effects of 78–84
 research close-up 74–75, 77–78
 stopping 77–78
- stereotype-consistent behaviour 73–74
- stereotype-inconsistent behaviour 73–74
- stereotype suppression 81–83
 defined 81, 353
 research close-up 82
- stereotypes 4–5
 and attitudes 116
- automatic and controlled processes 68–86
 changing 84–85
 defined 69, 353
 modification 313
 ‘what is beautiful is good’ 203
- strength, attitude 114, 124, 127, 130, 133
- stress 318, 343
 defined 340, 353
 and health 339–342
 and majority–minority influence 233
 and personal relationships 198–200, 213
 workplace 342
- stress-ameliorating factors 318
- structure, attitude 124
- students
 attitude–behavioural relations 131
 as research participants 34
- subliminal advertising 147–148
- subliminal priming 115, 147–148
- subordinates: obedience to authority 241
- substitutability: in procedural justice 335
- subtyping model 313
 of stereotype change 84
- success: attributions for 51–52
- sucker effect 273, 279
 defined 271, 353
- sufficiency principle: defined 146, 353
- sufficiency threshold 146
- superordinate goals: defined 296, 353
- support
 perceived organizational 335
see also social support
- Survey of Perceived Organizational Support (SPOS) 335
- survey research 24–25, 39
 defined 24, 353
- synchronization *see* group synchronization
- system, open: self and identity as 90
- systematic processing 144, 146, 155, 231–232
 defined 136, 353
 theories of 136–138
- Tajfel, Henri: biography 297
- target element: in attitude–behaviour relations 129
- task behaviour: defined 254, 353
- task cohesion 262
 defined 257, 353
- task groups 247, 248, 262
- task identity 332
- task performance
 defined 328, 353
 and job satisfaction 330
- task significance 332
- task specialists 259

- tasks
 additive 267, 268, 288
 conjunctive 267, 268, 288
 coordination losses 269–271
 design 285–286
 disjunctive 267, 268, 288
 divisible 267
 group composition 276
 group, types of 267–268, 348
 hidden profile 274–276, 286–287
 maximization 267, 268
 motivation losses and gains 271–273
 optimization 267, 268
 unitary 267
- taxation 155
 and attitude change 150
- team awareness: defined 287, 353
- team leadership *see* shared leadership
- team work 328
- teams: applying social psychology to 318
- teamwork 332
- temporarily accessible concepts 70
- terror management theory 307–308
- testing: in advertising 323–324
- testosterone 209
 and aggression 161
- textbooks: social psychology 9, 18
- theory 39, 343
 defined 21, 353
 development of 21–23
 and practice 318–319
 testing 35
- Thibaut, John Walter: biography 247
- third variable problem 282
- thought-listing 141
 defined 137, 353
- threat appraisal: health 336
- three-orders hierarchy model in advertising:
 defined 322, 353
- time
 in attitude-behaviour relations 130
 and attitudes 124
 continuity of self over 90, 95–96
 and prosocial behaviour 184, 194
 and social perception 46
- time periods approach to aggression
 167–168
 defined 167, 353
- time scale: reduction of intergroup conflict
 311–313
- tokenism: defined 292, 353
- trait aggressiveness: defined 165, 353
- traits
 central 44, 64, 345
 leader 281–282, 288, 349
 peripheral 44, 351
 personality 8, 43; in attribution theory
 55–58; in coping with stress 341–342;
 social perception of 44–46
- transactional leadership 280, 288
 defined 283, 353
 dimensions of 284
- transactional stress model 340
- transactive memory 262, 279, 287
 defined 257, 353
- transformational leadership 280, 288
 defined 283, 353
 dimensions of 283–284
- transtheoretical model 337–338
 defined 337, 353
- triangulation: defined 24, 353
- true randomized experiments 27, 39
 defined 25, 353
- trust: in groups 279
- Turner, John C.: biography 106
- turnover, workplace 329
 and job satisfaction 330
- two-dimensional perspective of attitudes
 117–118
 defined 117, 353
- unanimity: and conformity 229
- uncertainty: in geographically dispersed
 groups 287
- uncertainty reduction hypothesis 306
- unconscious processes 68
- uniformity: in groups 225
- unintentional processes 68
- universalism 193
- unobtrusive measures 24
 defined 33, 353
- USA: social psychology in 11–14, 18
- utilitarian function of attitude 120,
 121–123
- utilitarian perspective: groups 247, 262
- validation process 231
- validity
 of attitude measures 128–129
 construct 33, 39, 346
 convergent 38, 346
 defined 32, 353
 external 33–34, 39, 348
 internal 32–33, 39
- research 321
- threats to 32–34
- value-expressive function of attitude 120,
 121–123
- values 116
 social 193
- variables
 defined 22–23, 353
 dependent 30, 39, 320, 347
 independent 30, 39, 320, 349
 mediating 35, 350
- verbal representation 64
 in social perception 45
- victim, blaming the: for sexual aggression
 171
- violence
 defined 158
 intimate partner 170–171, 174, 349
 in social psychology and sociology 8–9
 see also media violence
- visibility, continuous: of individual
 contributions 277
- Volunteer Functions Inventory (VFI) 188
- volunteering: at work 329
- volunteering 194
 defined 188, 353
- volunteers 39
 as research participants 33–34
- vulnerability 338, 343
- warmth: as stereotype content 306
- weapons effect 162–163
 defined 161, 353
- Weiner, Bernard: biography 52
- whistleblowing 241–243
 defined 241, 353
- withdrawal, workplace 329
- work outcome 328–329
- workplace 317–318, 343
 bullying 172, 174
 social psychology in 328–336
 stress in 342
- Workplace Deviant Behaviour Scale 329
- World Values Survey 188
- world views 308
- World War II: influence on social psychology
 11–14, 18
- yielding: in persuasion 136–137
- youth: attraction to 209, 213
- Zajonc, Robert: biography 116
